## River Oaks Chamber Orchestra

---

The River Oaks Chamber Orchestra (ROCO) is a forty-piece professional chamber orchestra that was founded in 2005 by Alecia Lawyer. A Juilliard-trained musician with an eclectic background as a performer, recording artist, adjunct professor and radio host, Ms. Lawyer had a vision to reimagine the orchestral experience for both audience and musicians. The result is ROCO: an orchestra of all-star musicians, distinguished conductors and contemporary composers who come together from all over the world to present unexpected classics, original compositions and delightful performances that dissolve the barriers between audience and orchestra.
