This event is generously underwritten by The Tasting Room.

About the River Oaks Chamber Orchestra

Now in our fourth season, the River Oaks Chamber Orchestra (ROCO – www.rocohouston.org) creates personal relationships with our audience through the language of music. Forty national and international professional musicians perform interactive concerts, with musical surprises, a fun-to-read, magazine-style program, and the ROCOrooters music education/childcare program during and after each concert for kids 10 and under.
